TODAY'S RETAIL: BEST RETAIL. BEST PRACTICES. AN SAP RETAIL EXECUTIVE BREAKFAST

Are you uncovering and understanding shoppers' needs? Today, best-run retailers draw on this knowledge to anticipate needs and inspire shopping experiences that motivate long-term loyalty.

At SAP Americas, we are committed to helping retailers of every size achieve operational success and be best-run businesses. One of the ways we do this is to share retail best practices.

Join us at the upcoming SAP Retail Executive Breakfast to hear how two best-run retail businesses, [customers TBD], are using the SAP for Retail solutions portfolio.

You'll learn how SAP for Retail helps small, medium, and large size retailers become best-run businesses by:

- Achieving profitable growth through timely execution
